Frequently Asked Questions - NAME BADGES

How much do name badges cost?

The price of name badges varies with the quantity.
Typically the price of 20 name badges is \$7.50+GST each.
The price can be as low as \$2.00 for large quantities.

What is the minimum order?

Our minimum order value is \$60.00, which means around 8 badges.

How long does it take to make name badges?

It usually takes 2-3 weeks.
Delivery times often vary due to our workload at the time.
Let us know if this doesn't suit and we'll let you know what we can do.

Are you Quality Accredited?

Yes, we are one of a very few organisations in our industry to be accredited to ISO9001:2000.

Can you do a design for me?

Yes, in many cases customers give us a sketch or logo and we develop a design for them.
The name badges we produce are guaranteed to be the same as your approved design.

What artwork format can you accept?

We like to work with a bitmap files (bmp). We can also use a jpeg.

What is the best pin to use?

We recommend a brooch fitting for name badges.
Magnet fittings or two butterfly grips can also be used.

Can you use PMS colours?

We can achieve a good match to any PMS colour.
It is not always perfect due to variations in background colour etc.

What is the best size to make a name badge?

Our standard sizes for plastic badges are 65x20, 70x15, 75x20, 75x25mm.
The metal badge sizes are 65x20, 75x20mm.

Are your badges Australian Made?

Yes, in most cases our name badges are Australian made.
